

Inspired by ... Starry Night by Vincent Van Gogh

Art Competition

As part of our whole school work in Art this half term we are looking at the paintings of Vincent Van Gogh. He inspired many painters and artists including the staff of Cockerham School. You can view our art work in the exhibition in the school corridor.

Mrs Cox used tissue and crepe paper to create her art work.

Miss Wragg and Mrs Hodgkinson used oil pastels.

Mrs Olley and Mrs Maycock used watercolours and oil paint to create their version.

Mrs Hutchins and Mrs Brucciani used hot glue, string, tinfoil, sharpies and puff paint to complete their artwork

But what if you were inspired by Starry Night? What would it look like? You too can have your art work displayed in school by entering the competition and creating your own Starry Night. What will you use? Artwork to be in school by Friday 4th October 2024. Looking forward to seeing what you create and how you have been inspired.
