

Dear Parents and Carers,

As a whole school we will be taking part in a Maths Day on Friday 8th March. This will be a fun and educational day where the children will take part in Maths related activities and games both in and out of the classroom. This will be a great opportunity for the children to engage with maths in a creative and enjoyable way.

To celebrate this special day, we are encouraging the children to dress up as a number. They may wish to make and design their own hat filled with numbers or design an old T-shirt with numbers to wear for the day. **No football Kits please.**

We look forward to this exciting event and seeing all our students dressed up as numbers on Maths Day. We will be inviting parents into school to visit their child's class at 2:45-3:15pm to see the different activities that have been completed throughout the day and to engage in a fun maths activity with your child.

Thank you for your continued support.

Kind regards,
Mrs Olley
