Teaching and learning

All the children in Cockerham Parochial C E Primary School are to have access to the whole curriculum.

To enable children to grow in each of these areas, putting in front of them realistic goals in order that they may achieve their full potential.

To ensure that staff keep abreast of Educational developments (courses) and work in close co-operation with regular staff meetings. That staff are given opportunities for their personal development.

The school strives to ensure the provision of good educational resources.

The school follows closely the requirements of the new National Curriculum framework.

Children are taught in an atmosphere of respect for each other.

Christian values
