

### Autumn Term Focus Child -

Next week we will be focusing on \_\_\_\_\_. We will be working with them to find out more about how they learn best, their interests, how they are progressing, their strengths and their challenges.

We value the knowledge and understanding you have of your child and hope that we can work together to support their development.

Is there anything significant happening in your child's life at the moment, e.g. visits, holidays, new pets, family celebrations?

Do you have anything you would like to ask us about your child's progress and development?

Are there any strengths or challenges your child has you would like us to help focus on in school, e.g. sharing, taking turns, counting to 20?

Please could your child bring any of the following items in to show to the class this week:

- Family/pet photos
- Favourite food packets
- Any items that tell us about your child and family
- **Photos of favourite garden/wild flowers (local walk or from your/family member's garden)**

Please return this sheet to school by **Friday** so we can prepare for next week.

Many thanks,

Swallow Class Team
