

Dear parents/Guardians,

As your child is now in Y4 the Government have requested that all children in Y4 take part in a Times table checker with the children.

This will take place in the Summer term. The attached leaflet gives you information with regards to this.

It is important the children are regularly rehearsing their Times tables for both speed and accuracy. These skills will be part of their weekly activities in school. However, the more they do at home to support this the better as knowledge of times tables comes into so many aspects of mathematics it is an invaluable skill base to have for school and life.

This leaflet is also on the class website page.

Kind regards  
Mrs Kathryn Hutchins  
Headteacher
