

Kingfisher Homework – 03.02.23

English →

Watch an advertisement on a children's television programme. Can you spot any persuasive writing techniques? (Make sure you ask an adult about what you can watch)

Maths →

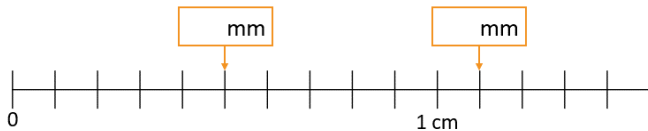

Year 3

Jo is choosing a drink and a snack.
How many different combinations are there?

$$16 \div 5 = 3 \text{ remainder } \boxed{}$$

What is the length of the line?

Year 4

$$10 \times 102 = \boxed{}$$

$$696 \div 3 = \boxed{}$$

$$38 \div 3 = \boxed{}$$

Remember your steps to success.

Show your working out if you need.

Watch out, there might be a remainder.
