

To know how to count in 3s

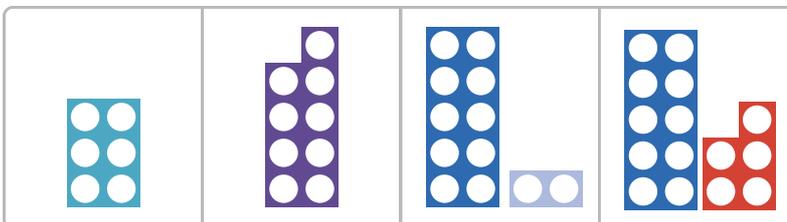

1 Which number is shown and which number will come next?

c What will the next number be in the sequence?

d Will the next number be greater than 20?

2 a On Mondays, Wednesdays and Fridays April takes an apple to school as a snack.

Complete the table to show how many apples April will eat over 6 weeks.

Weeks	1	2	3	4	5	6
Apples	3	6				

b At the start of the week a shop has 36 milk bottles. They sell 3 bottles every day.

How many will be left on Saturday?

To know how to count in 3s

3 Fill in the missing parts of the number sentences.

a $24 + 3 = \dots\dots\dots$

b $\dots\dots\dots - 3 = 18$

c $30 \dots\dots 3 = 33$

d $\dots\dots\dots + 3 = 6$

e $0 + 3 = \dots\dots\dots$
